We feel that a major stumbling block for women to emerge as entrepreneurs is lack of project ideas and guidance as to how to go about in setting up an enterprise. We feel that with number of opportunities opening up for them now, awareness has to be created to make them choose their venture and then they can be handheld for developing them as successful entrepreneurs. With this objective in mind, TFSC is organizing a two days Seminar on “**Empowering Women through Entrepreneurship**, on 31<sup>st</sup> October’ 08 & 1<sup>st</sup> November ‘08 at Chennai.

This program is well structured and will enable the participants to know about the various potential projects in different sectors with different investment levels and market opportunities. They would also understand the market dynamics and how to go about further, once they decide on a suitable project.

TFSC intends to offer 100 days module for the interested participants after the program so that their dream to become an entrepreneur is further strengthened through handhold service to them till they finally start the enterprise.
